

<p>One time situation in 2019: EUC runs June 29-July 6; WJU24 July 13-20. Please do check with EUF when in doubt!</p>

Venue for split events:	<p>It is possible to send a reduced bit for U17 only or U20 only</p> <p>As Youth Ultimate is growing, the team numbers have risen strongly. We are aware it may not be possible to find a host for 65 teams or more; so we do grant the possibility to bid for only U20 or U17.</p> <p>U20: 35-45 teams, minimum 8 fields + rain plan</p> <p>U17: 20-30 teams, minimum 5 fields + rain plan</p>
Staff/Volunteers:	<p>Please consider 2 Person per field/game plus at least 6 persons to manage volunteers, fields, accommodation, social events, service coordination etc.</p> <p>EUF supports the Tournament Organization Committee with 3 experienced Youth Event Coordinators, who need to get free lodging and food as all volunteers and their travel costs covered. Please consider the costs for these extra volunteers in your budget.</p> <p>Medical staff and/or paramedics/physiotherapists and First Aid-material must be available at the fields. Fix ambulance at the fields is an asset.</p> <p>Please describe your medical plan in your bid.</p>

Food:	<p>At least breakfast and warm dinner must be provided.</p> <p>Drinking water must be available at each pitch.</p> <p>Please indicate where and how you plan to provide meals and the indicative costs.</p>

Reachability:	<p>Indicate how the tournament location can be reached (distance to airports, public transportation system,...).</p> <p>If a shuttle service is necessary between accommodation and venue(s) indicate the planned costs and how it will be organized.</p> <p>Indicate if you plan a pickup service from the next Airport / Train Station.</p> <p>Having a tournament location which minimizes the travelling costs and so reduces the overheads of moving large groups of kids, is an asset.</p>
Social Events:	<p>Opening ceremony on Saturday including show case game.</p> <p>Awards and closing ceremony on Sat/Sun afternoon.</p> <p>Both of them will be run together with two EUF delegates.</p> <p>Trading night and a farewell party should be considered. More social events are desirable. There will be some bye especially for the U17 teams, that could be filled with social/cultural events.</p> <p>EUF like WFDF has a strict no-alcohol policy for all youth events (please refer to WFDF Bid Guidelines §4.5.H).</p> <p>Please shortly describe the plan for the social events.</p>
Media Visibility:	<p>The Tournament will be streamed by a professional crew.</p> <p>A 10Mbs Upload Internet Connection must be available on the field(s), which will be live streamed. EUF will do the initial coordination. The ToC will be responsible for the implementation of the streaming requirement.</p> <p>Social Media Marketing has also become more and more important in our sport.</p> <p>Please indicate if and how you plan to increase the tournament visibility and which budget you reserve for this.</p> <p>EUF will provide webspace on ultimatecentral.com and on www.ultimatefederation.eu</p>
Gifts/Trophies:	<p>Medals will be provided and paid by EUF. Spirit of the Game and Winner Trophies must be covered by the tournament budget or by sponsors.</p> <p>A tournament gift per player is not necessary and should be considered only if covered by a sponsor.</p>
Budget:	<p>Tournament costs to the individual player including travel costs will be a central criterion for bid selection. We want to enable all interested teams to attend and not to exclude anyone for cost reasons.</p> <p>As a reference consider that the previous EYUC had a "cost to player" of about 250€, including budget accommodation, food (HB), player's fee and share of the team fee. For the budget plan, please use the EUF template.</p> <p>We want to make clear that people, who work hard on these events, should receive some reasonable payment, nevertheless, being a youth competition, management costs should be kept to the minimum.</p> <p>The EUF committee wants to make sure that it is able to get very clear visibility of all the costs; that costs are reasonable, and that we help make sure players don't pay for things that they might prefer not to have if given the choice.</p>
Host Eligibility:	<p>All bids must include a description of the relationship of the bid committee with the National Federation (NF).</p> <p>If the bid committee is not directly affiliated with the NF, the final bid must include a letter of endorsement from the NF.</p> <p>The NF does not necessarily have to be involved with the planning of the event, but they must be aware of and support your intentions.</p> <p>No bid can be accepted without this documentation.</p>

We warmly suggest potential bidders to check the best practices described in the [WFDF Bid Guideline](#) and [WFDF Tournament Director's Manual](#).
