

My name is Dario Lucisano, I am now 33 and I live in Paris.

I have been part of the EUF board as SOTG chair for EUF from 2012 to 2016. I have been part as SOTG chair of the Italian Federation (FIFD) from 2011 to 2016.

My main activity has been to handle SOTG at EUF competition level, for EUC and EUCF, and to ensure that principles of SOTG are known throughout Europe.

I am looking forward to continue this activity for the 2016-2018 term.
