

Vienna, 2015 April 28th

Dear Member Federations,

Dear Teams registered in the EUC 2015

Soon the Player's Registration for the EUC2015 will be open.

There are some differences respect to the ffindr.com registration, which we would like you to be aware of, in order to have a quick process.

1. **Each Participant must perform the registration for the EUC himself**

During Registration you will be asked a series of questions that an other person might not know.

In order to do that you need to create your own profile on ultimatecentral.com:

https://euc2015.usetopscore.com/signin?original_domain=euc2015.ultimatecentral.com

2. **The WFDF Rules Accreditation check will be dne online**

EUC2015 adopts following [EUF Rules Accreditation Requirements](#) .

In order to successfully complete registration you'll have to fill in following information:

- UserID (you find it on your WFDF Rules Profile - <http://rules.wfdf.org/userprofile>)
- Certificate Level (Standard/Advanced)
- Date of Issue of your Certificate (if the date is older that 2014-01-31 you need to repeat the Accreditation Quiz and get a new Certificate: <http://rules.wfdf.org/accreditation>)

3. **Player's Eligibility**

Please be aware of the [EUF eligibility rules](#).

During registration you will be asked to which of the 4 Player's Classes you belong. For each Player belonging to the Classes C (Resident Non-Citizen) and D (Ultimate Community Member) the National Federation must send to registration@euc2015.com a Facts-Sheet as proof of the player's eligibility for that nation.

4. **WFDF Participation Agreement**

During Registration you will be asked to accept a participation agreement. As for EUF and WFDF sanctioned events you must download it, sign it and give it to your team coordinator. During accreditation in Copenhagen all signed waivers must be handed in in order to be allowed to play.

5. **Player's Registration Status will be "pending"**

EUC2015 does not accept payments from individual players, but only bulk payments from your national association. The national association representative

will be able to create a single invoice for all registered players. Once this has been paid, the EUC2015 registration committee will change the player's registration status to "confirmed".

6. **Team Names and Team Icon on ultimatecentral.com**

All teams must have a consistent name. This is the allowed naming convention:

\$nation \$division

Where

\$Nation = English name of the nation like "Denmark", "Austria", "Spain"

\$Division= one of "Open", "Women", "Mixed", "Open Masters", "Women Masters"

Examples:

- ✓ Great Britain Open Masters
- ✓ France Mixed
- ✓ Germany Women Masters

- ✗ Austrian Mixed
- ✗ France Mixte
- ✗ Finland National Team Mixed
- ✗ Norway
- ✗ Ultimate Association of Turkey
- ✗ ...

In order to have your Nation better recognizable on the schedule, please insert your National Flag as Icon of the team in UltimateCentral.com

Please distribute this information within you members.

Grazie e ciao
