Waitinglist	N,C,W,S,E

A-C Line up the finishing order from the previous year.

D For every region with less than 2 participants last year,

add spots to the bottom of the list to fill up to 4 teams: Nothing

For every region with more than 4 participants, delete the lowest teams to get back to 4: **No Region**

E For every region with at 2-3 participants, label the lowest finisher with an L.

For a region with 4 participants, label the lowest finisher with an X.

E For every region with at 3-4 participants, label the second lowest finisher with an S.

F Look at the lowest S.

If there are L which are higher, relabel the highest L with an X and add a spot for that region labeled X above the highest S below that spot. Relabel that lowest S with an X. Repeat this step until nothing happens anymore. **E3**

G Delete all labels from the first 2 spots of each region

H remaining labels

I Delete the lowest teams labeled with S, L or X (unlabeled teams stay!) until exactly 12 teams remain: **Delete N3**

J new ranking

1) Look at the deleted in column I: **N**

2) Look at column E and assign a Waiting List spot to all regions, in that order, which didn't lose or won bids: **C,W,S**

3) If there are still regions left, look at the added bids in column H: **E**
