Waitinglist	W, E, S, C, N

- A-C Line up the finishing order from the previous year.
- D For every region with less than 2 participants last year, add spots to the bottom of the list to fill up to 4 teams: **N2, C1, C2**
For every region with more than 4 participants, delete the lowest teams to get back to 4: **No Region**
- E For every region with at 2-3 participants, label the lowest finisher with an L. For a region with 4 participants, label the lowest finisher with an X.
- E For every region with at 3-4 participants, label the second lowest finisher with an S.
- F Look at the lowest S.
If there are L which are higher, relabel the highest L with an X and add a spot for that region labeled X above the highest S below that spot. Relabel that lowest S with an X.
Repeat this step until nothing happens anymore. **S3**
- G Delete all labels from the first 2 spots of each region
- H remaining labels
- I Delete the lowest teams labeled with S, L or X (unlabeled teams stay!) until exactly 12 teams remain: **Delete W4, W3**
- J new ranking
- 1) Look at the deleted in column I: **W**
 - 2) Look at column E and assign a Waiting List spot to all regions, in that order, which didn't lose or won bids: **E, S, C, N**
 - 3) If there are still regions left, look at the added in column H: Nothing
