Waitinglist	S,C,E,N,W

A-C Line up the finishing order from the previous year.

D For every region with less than 4 participants last year, add spots to the bottom of the list to fill up to 4 teams: **Nothing**

For every region with more than 8 participants, delete the lowest teams to get back to 8: **No Region**

E For every region with 4-7 participants, label the lowest finisher with an L. For a region with 8 participants, label the lowest finisher with an X.

E For every region with 4-7 participants, label the lowest finisher with an L. For a region with 8 participants, label the lowest finisher with an X.

F Look at the lowest S.

If there are L which are higher, relabel the highest L with an X and add a spot for that region labeled X above the highest S below that spot. Relabel that lowest S with an X.

Repeat this step until nothing happens anymore. **Nothing**

G Delete all labels of regions with only 4 spots

H remaining labels

I Delete the lowest teams labeled with S, L or X (unlabeled teams stay) until exactly 24 teams remain: **nothing**

J new ranking

1) Look at the deleted in column I:nothing

2) Look at column E and assign a Waiting List spot to all regions, in that order, which didn't lose or won bids: **S,C,E,N,W**

3) If there are still regions left, look at the added in column H: **Nothing**
