For the budget plan, please use the [EUF template](#).

We want to make clear that people, who work hard on these events, should receive some reasonable payment, nevertheless management costs should be kept to the minimum.

The Tournament Merchandising will provided by a EUF Partner.
Potential Sponsoring Deals made by the TOC must be agreed with EUF.

The EUF committee wants to make sure, that it is able to get very clear visibility of all the costs, that costs are reasonable, and that we help make sure players don't pay for things that they might prefer not to have if given the choice.
