

Introduction	<p>This is the call for bids for the European Ultimate Masters Championships (EUMC) in the divisions Open Masters, Women Masters and Mixed Masters.</p> <p>The EUF Championship in the Masters divisions is played every 4 years. The last one was in Copenhagen as part of the EUC2015.</p> <p>The EUF Board has decided to hold the Masters divisions separate in time and location from the divisions without age limits. This brings not only logistical advantages, but offers the masters divisions much more space and visibility.</p>
Time Line:	<p>August 31st: Declaration of interest to host</p> <p>September 30th: Bid complete, provisional budget</p> <p>October 31th: Bid selection</p>
Contact:	All mails shall be send to board@ultimatefederation.eu
Tournament length:	4 days
Date:	<p>Wished date: Thursday July 25th – Sunday July 28th 2019 (team arrival on July 24th)</p> <p>Alternative Dates: Aug. 1st-4th</p>
Number of Teams:	<p>It is hard to say how many Masters National Teams there will be in 2019, considering that there is also the European Beach Championship in the Masters Divisions beginning of May 2019</p> <p>The EUF plans with max 24-28 teams all together, probably it will be less. The Bidders should be able to scale down the costs in case lesser teams will attend.</p>
Number of Players:	In the previous events the average number of players was around 18.
Venue:	<p>6 WFDF-regular fields for 4 days of play are required for the max. expected number. If less teams will register, the number of needed fields should be reduced, in order to sink the fixed costs</p> <p>A WFDF-regular field measures 100m x 37m + 5m restrain lines around it. WFDF-conform field size (90m x 33m + 3m restrain lines) is tolerated but should not be the standard. Please provide the size of the single fields in your bid.</p> <p>Please provide a plan in case of rain (e.g. additional fields available, turf fields, etc.)</p> <p>Football goals must be removed or protected, for the safety of the players. Having all pitches on 1 site is an asset. Having a grand stand for showcase games is an asset.</p> <p>Please add in the bid a google map link of the venue(s) and describe the grass quality.</p>
Staff/Volunteers:	Please consider at least 1 Person per field plus at least 3-4 persons to manage schedule, spirit-scorings, volunteers, etc.

Accommodation:	<p>It is expected that most teams will take care of the accommodation themselves.</p> <p>Please indicate if you plan to offer a central accommodation.</p> <p>If you organize an accommodation (e.g. camping near the fields) breakfasts must be provided for this accommodation.</p> <p>Please add in the bid a google map link of the accommodation and the distance to the venue(s).</p>
Food:	<p>Warm Dinners are highly recommended at least in the evenings of the showcase games (probably on the 2nd and 3rd day).</p> <p>Drinking water must be available at each pitch.</p> <p>Please indicate where and how you plan to provide meals and the indicative costs.</p>
Reachability:	<p>Indicate how the tournament location can be reached (distance to airports, public transportation system,...).</p> <p>Since the tournament is planned to be over on day-4 at about 16:00, having a tournament location close to an international airport is an asset.</p>
Social Events:	<p>Please shortly describe the plan for the social events.</p> <p>A party on day-3 is recommended.</p>
Media Visibility:	<p>EUF plans to stream from 1 field every day. A stable 10 Mbs Upload internet connection (better if via Ethernet since 4G is not really reliable) is needed, as well as an overhead camera position (grand stand, scaffold, etc.)</p> <p>Please indicate if and how you plan to increase the tournament visibility and which budget you reserve for this.</p>
Gifts/Trophies:	<p>Medals will be paid by EUF.</p> <p>Spirit of the Game will be covered by the EUF merchandize Partner.</p> <p>Winner Trophies must be covered by the tournament budget or by sponsors.</p> <p>A tournament gift per player is not necessary and should be considered only if covered by a sponsor.</p>
First Aid	<p>First Aid-Kit must be available at the fields. Medical staff and/or physiotherapists are recommended. Fix ambulance at the fields is an asset.</p> <p>Please describe, which is your physiotherapy and medical plan.</p>
Budget:	<p>For the budget plan, please use the EUF template.</p> <p>We want to make clear that people, who work hard on these events, should receive some reasonable payment, nevertheless management costs should be kept to the minimum.</p> <p>The EUF committee wants to make sure, that it is able to get very clear visibility of all the costs, that costs are reasonable, and that we help make sure players don't pay for things that they might prefer not to have if given the choice.</p>
